### Persecuted Church:

#### China

On March 10th, the Wangenggang Christian Church received written notice from village administrators ordering the removal of a cross from the top of their building, as well as one that was placed above the facility's door. The notice stated that the crosses were "safety hazards."

The cross above the door has been securely in place for 40 years. The one on the roof was installed five years ago in compliance with applicable building standards—plus, it passed a safety inspection. The claim from the village committee appears to be an arbitrary demand without basis. It is uncertain if there are any legal premises for this notice and whether the village committee has the authority to enforce such a demand.

### Missionaries: Paul & Tanya G

We are very excited to share that a new opportunity came up for us this Christmas. We were able to partner with a local

organization called Mission M. They are a group of passionate young people who are on mission to reach the next generation through creating spaces for worship, teaching, and mission to happen. One mission they have started is outreach to local villages. We were able to partner with them through making care packages for kids, youth, and families in one of these villages they are connected in. Miriam worked with the junior youth in our village to collect donated items from those in our community and to assemble gift boxes for kids and families. It was so encouraging to see our junior youth be engaged with this mission. We saw God work in and through everyone who was involved!

The final program we ran was our annual young adults winter camp at Camp Falcon Rock. This is a unique opportunity to connect with many of the young people we see come out to our summer camps, as well as connect with a lot of young people who return home for the holidays from university or working abroad. This year we saw over 50 young people out! We were able to get two well-known and loved local speakers to come speak for the camp, and they dug into an important theme of what it means to live in light of the "Kingdom of God." On top of powerful worship and teaching sessions, we had a lot of fun as we hosted a winter Hawaiian all-nighter, had a traditional s'mores campfire night, and had a lot of rich hangout times!
